# Camp Blazing Trails

Dear Camp Blazing Trails Parents,

## Welcome to Blazing Trails Week 3...

### Our Third week of 2009!!!

We are looking forward to having your children with us to enjoy all that Lake Crabtree has to offer. This week's theme is **Wilderness Week**. The youngest huddle will be the **Backpackers** and they will fish on Monday and Thursday and boat on Thursday. The older huddle will be the **Hikers** and they will fish on Monday and Thursday and boat on Friday. The park ranger will be with us on Tuesday. We will be having water games on Friday and your child will need to wear a bathing suit and bring a towel. We have attached a schedule for your convenience. This week we will be focusing on the character trait of Caring. We are excited about having your child this week and look forward to meeting you.

Thanks,

Rich Kelton, Youth Director
