### What does Early Arrivals Cover?

The Early Arrivals Program covers all 180 school days as outlined by the Wake County School System. The program runs from 7:00-8:45 am Monday – Friday. The Early Arrivals Program does not cover Teacher Workdays and Student Holidays. These days are covered by the School's Out Special Program and must be purchased apart from After School.

### What will my child do during the Early Arrivals Program time?

Early Arrivals is filled with fun activities. We offer small games such as trivia games, card games, board games, coloring, and puzzles are all part of the program time.

### Does the Y offer morning homework time?

Although there is no designated homework area or staff assistance in the mornings for homework, during the Early Arrivals Program children that wish to do self directed school work are always encouraged.

### Is breakfast provided during Early Arrivals?

The YMCA does not provide breakfast for your child, however, children may bring their breakfast from home and eat in the cafeteria upon arrival. Children are allowed to purchase school breakfast at 8:45 am when the school cafeteria opens.

### What if the start time for school is delayed due to inclement weather?

If schools are delayed, all morning YMCA programs are delayed by the same amount of time (example: if school starts 2 hours late, Early Arrivals will start 2 hours late).

### How does the Rides In system work?

At the beginning of each school day, we will have Rides In. During this time, you may pull up to the bus lane and a YMCA staff member will let your child out of the car and escort them into the building.

Rides In runs from 7:00 – 8:00 am. If you need to drop your child off later than 8:00 am we ask that you walk them into the program and sign them in with the YMCA staff.
