

Cary Family YMCA Summer Day Camp 2010 Worksheet

This is a worksheet designed to help parents plan for their children's summer camp needs. Because programs fill quickly, it is best to choose several options before coming to registration. The YMCA will help you determine availability of each camp, provide an official registration form, and provide a receipt at the time of registration. Deposit required for registration - \$25 per week for all camps. Registrations must be received by close of business on Wednesday to avoid the late registration fee of \$25. Registration must be done in person at the Cary Family YMCA, sorry, no mail or web registrations will be honored.
