ENCOURAGE, IMPACT & MAKE A DIFFERENCE

VOLUNTEER

Serve as a Positive Role Model for YMCA Teens

A. E. FINLEY YMCA

If you have an interest in working with high school students, and are looking for a way to give back to the community, we have some great opportunities for you!

Leaders Club

Are you interested in making our community a better place? Volunteer with the A. E. Finley YMCA Leaders Club, a group of high school students who are interested in becoming stronger leaders, volunteering in the community, and of course, having fun! We meet on Wednesday evenings from 7:30-8:30, and enjoy taking trips, having lock-ins, going out to dinner, and volunteering at the YMCA and in the community together.

Model UN

Do you have a passion for international affairs? Do you enjoy working with Middle School students? Volunteer with our Model UN program, a program where Middle School students have the opportunity to take on the identity of a country in the United Nations, and after learning about their country, join other students from across the state for a weekend simulating the United Nations in Black Mountain, NC.

Youth & Government

Help shape the future of North Carolina! Each year, a group of students spends learning about our state legislature, and writing and debating the bills they think should be put into effect. Every February, they get the chance to step into the shoes of our states politicians, and be a part of the Youth Legislative conference. These are the future leaders of our state—volunteer with the program to help them grow and develop!

Clarence E. Lightner Y Achievers

The Clarence E. Lightner Y-Achievers program helps set minority teens on the path to college and a bright future. The program involves learning about different careers, focusing on how to be successful in high school, and participating in service projects and field trips. If you are interested in being a role model and helping students succeed, this may be the place for you!

Interested in any of these opportunities?
