Thank you for your interest in YMCA financial assistance. We offer financial assistance to individuals and families who are not able to pay full fees for Y memberships and/or programs.

To apply for financial assistance, please bring all the following information to a YMCA Welcome Center.

1. Completed financial assistance application. If you are applying for youth programs, you must include the addendum.
2. A copy of your 2018 federal income tax return. If you do not file federal income taxes, please call 1-800-TAX-FORM (1-800-829-1040) for a verification of non-filing or go to IRS.gov for other information.
3. Two most recent paycheck stubs or letter from your employer verifying your employment and stating your annual salary. If you are unemployed, draw social security or a full-time student, please provide a summary of your unemployment benefits, SSI paperwork, or financial aid benefits and student schedule.

Please mark out all social security numbers, tax ID numbers and/or credit card numbers before submitting any paperwork.

Applications must be submitted with all required documentation. Incomplete applications cannot be processed. All financial assistance is distributed on a case-by-case, first-come, first-served basis.

Select the programs you need assistance for on the Program Addendum. Please do not register for these programs before you submit your financial assistance. We will register your child(ren) as we process your application.

You will receive an email within two weeks regarding your qualification and next steps.

We look forward to serving you.
