Summer Swim Team 2021

Evaluation FAQs

1. What are the competitive strokes?

Freestyle, Backstroke, breaststroke, and Butterfly

2. Who will be conducting the evaluations?

The evaluations will be conducted by Swim Team Coaches.

3. If a parent feels that their child has been incorrectly evaluated, who can they call?

Any questions regarding the status of evaluations should go to Jessica Meder.

4. My child has participated in YOTA / YMCA Summer Swim Team /Junior Competitor/Stroke School in the past, do they need to be evaluated?

No. Swimmers that have participated in any of the above programs do not need to be evaluated.

5. Who needs to get evaluated?

Anyone who has not participated in a YMCA program mentioned above, and is new to the YMCA Swim Team program.

6. What does the evaluation consist of?

- 10 and under age groups: 25 yards of each of the 4 competitive strokes, 2 must be in legal form.
- 11 and older age groups: 50 yards of each of the 4 competitive strokes, 3 must be in legal form.

7. My child participated in our neighborhood swim team last year, do they need to be evaluated?

Yes. Swimmers coming from outside of the Y League need to be evaluated.

8. My child swam for Flowers last year, do they need to be evaluated?

No, if your child has swam for Flowers before, they do not need to be evaluated.

9. My child can't make it to either of the evaluation dates, can I schedule another time?

Yes. Email Jessica.Meder@YMCATriangle.org order to set up an alternate evaluation time.

10. Does successfully completing the evaluation guarantee my child a spot on East Triangle Summer Swim Team?

No. All participants must register on Thursday, April 1st. Spaces are limited and these are popular programs.

11. When does the next session start and what is the cost?

May 24, 2021; \$241

12. What are the practice times?

- 6 years & under: 8 - 8:50 a.m.
- 7 - 8 year olds: 8 - 8:50 a.m.
- 9 - 10 year olds: 9:50 - 10:40 a.m.
- 11 - 12 year olds: 8:55 - 9:45 a.m.
- 13 & older: 8:55 - 9:45 a.m.

13. Can both kids practice at the same time, even if their ages qualify them to be in different age groups?

No, due to ability and intensity we require swimmers to practice with other swimmers the same age to get the most out of the program. This will also affect program ratio.

14. If child passes swim assessment where do they register?

www.ymcatriangle.org/programs/swim/summer-swim-team

12. What are you doing different based on CDC and COVID?

We have decreased capacity on the pool deck. We ask that all members wear a mask until they are getting ready to enter the pool.

13. What program guidelines are you following based on COVID?

Ratio and number of swimmers per lane are adjusted. All swimmers will not start at the same place either, based on height swimmers will start at different places in the pool.
