

Chatham YMCA

Leprechaun Dash 5K/10K

Sponsorship Opportunities

OUR CAUSE

All funds raised during the race support children in Chatham County through the YMCA Annual Campaign. Our Annual We Build People Campaign provides financial assistance for after school and summer day camps. Each year, the Chatham YMCA provides \$100,000 in scholarships for child care and youth-oriented programs where we seek to build people through outdoor activities, creative arts, team sports and leadership development.
