YMCA ANNUAL CAMPAIGN

YMCATriangle.org/give

The YMCA may be where you learned to swim or where you spent summers making friends and memories. For others, it's the place where they became stronger, found volunteer opportunities and joined a community for a lifetime.

Regardless of what brings someone to our Y, it's a place where

we all belong.

When we all belong, we feel seen, confident and connected.

The Annual Campaign ensures access and opportunity to Y programs and services regardless of age, background or ability to pay. We need your help.

Your gift makes it possible for the Y to remain a reliable resource for our community and its ever-changing needs. Whether it's expanding access to swim lessons, providing opportunities to get healthy or creating memories for children with diverse abilities, donations to the Annual Campaign empower the Y to respond.

**We focus on four key areas to improve the lives
of children, teens, families and individuals.**

SUPPORTING EDUCATION

We champion youth development by integrating academics with critical thinking, creativity, communication and a strong sense of self.

IMPROVING HEALTH OUTCOMES

We foster a community health care approach that focuses on safety, well-being, prevention and maintenance.

DEVELOPING CHANGEMAKERS

We develop leaders of all ages who are dedicated to improving their communities and supporting the common good.

STRENGTHENING FAMILIES

We provide resources, programs and experiences designed to support and strengthen families.
