Join the Kid Zone Team at the Kraft Family YMCA!

If you're a parent, you can bring your children with you during your shift, one of the many great perks of working with us. You'll also receive a free YMCA membership as part of our staff benefits. We're looking for caring, enthusiastic adults who enjoy working with children to join our Kid Zone rooms. We are currently hiring both attendants and supervisors for 3-4 hour shifts with weekly morning openings, Saturdays and Sundays available.
