

Chatham Park YMCA

Leprechaun Dash 5K/10K

Sponsorship Opportunities

OUR CAUSE

All event proceeds support the Chatham community through YMCA after school, summer day camp and membership scholarships. Annually, the Chatham Park YMCA provides \$90,000 worth of scholarships for LOCAL child care and youth-serving programs where we seek to build people through outdoor activities, sports and leadership development. These scholarships also support the community in living a healthy lifestyle and finding a place where they belong at the YMCA.
